

MEMORANDUM FOR: Comptroller

SUBJECT: [REDACTED]

25X1A

25X1A

1. [REDACTED] and [REDACTED], neither of which bear an expiration date, are currently in effect. Inasmuch as notices should be limited to information of a transitory nature, it is more appropriate that the content of these notices be contained in regulations.

2. Since this subject, like other subjects such as travel, seems to transcend the functional responsibilities of a single office, it is necessary to designate a single component to assume responsibility for its preparation in collaboration with other interested offices.

3. Accordingly, it is requested that your office take the initiative and prepare the headquarters [REDACTED] regulations necessary and rescind the subject notices.
